REPORT OF SCHOOL BOARD

To the Taxpayers and Citizens of Center Harbor:

Your School Board is glad to report on another year of school administration, free from friction or trouble in any way with teachers or parents.

Most of you know that we opened the Town House School which we believe was a step in the right direction.

Electric lights were installed in both the Town House and West Center Harbor house which seems to be much appreciated by all. At West Center Harbor quite a lot of cement work seemed necessary to keep water from the basement. This has been done, as well as gutters installed on one side of the house. We feel that all our houses are now in good shape and we are cooperating with the Selectmen in an effort to keep taxes down by not asking for as much money for the next year.

Again we want to thank teachers, parents and citizens for their cooperation during the past year.

Respectfully submitted,

School Board of Center Harbor

AUDITORS' REPORT

This is to certify we have examined the foregoing accounts and found same correct.

A. R. LUNT,
JOHN T. WHITE,
Auditors.

TOWN OF CENTER HARBOR

REPORT OF SUPERINTENDENT OF SCHOOLS

Center Harbor is very fortunate as has been shown in previous reports, in that while the per pupil costs are at about the median of the state, the costs per \$1000 of equalized valuation is very low.

The schools are in session six half days more than the median of the state but its per cent of attendance was slightly lower. There has been almost a steady improvement in the tardiness record. Parents have co-operated so generally that there are now only two or three families with a chronic lack of punctuality.

The school buildings and grounds are in excellent condition. The school board has been liberal in meeting all reasonable needs.

The principle difficulty at present is in securing janitor service that is really excellent and in the general school house keeping.

The Town House school was opened in September 1930, and is well meeting the neighborhood needs.

Together with Moultonboro and Meredith, Center Harbor now has a special instructor in music. All of the schools are visited each week, the work is being unified and thus every pupil is having an opportunity to receive instruction in at least the fundamentals of music.

Health Habits are given much attention in all the grades and there is really a marked improvement in the physical condition of the pupils over that of a few years ago.

A large proportion of the children of the state now have the attention of school nurses.

TOWN OF CENTER HARBOR

If some way could be found to have a follow-up of the Medical Inspection of Dr. Morrill by a school nurse there would doubtless be even more remedial action taken.

Center Harbor has been especially fortunate in selecting school board members who are whole heartily interested in the schools and who can co-operate cheerfully and earnestly for their improvement.

Respectfully submitted,

E. W. SMALL,

Superintendent.
